### Projects

[DATA ENTRY: PORTAL](#) | virtual reality game [bit.ly/data-entry-portal](https://bit.ly/data-entry-portal)

Design Team Lead and Multimedia Designer, 2023

Collaborated with a team to adapt Rob Swigart's 1988 novel, 'Portal' into a VR Game

- Designed and created assets for the VR Game
- Designed and collaborated in creating the pitch deck
- Created six illustrations for the parallax still images in Procreate and Adobe Illustrator
- Assisted in creating the brand guideline

[Zone of Experimental Storytelling](#) | graphic logo [bit.ly/logo-zone-of-experimental-storytelling](https://bit.ly/logo-zone-of-experimental-storytelling)

Graphic Designer, 2024

Created a logo design for the Riwayat Digital Fellowship exhibition

- Designed and created the typography graphic and layout in Adobe Illustrator
- Collaborated with the Riwaya Institute using their Arabic logo design
- Created the color palette using the green from the Riwaya Institute's brand with the additional red to showcase the Moroccan colors

[A Radio Christmas Carol](#) | promotional poster [bit.ly/a-radio-christmas-carol](https://bit.ly/a-radio-christmas-carol)

Multimedia Designer, 2023

Created a graphic poster for the Reimagined Radio show of A Radio Christmas Carol

- Created digital illustrations in Illustrator and Procreate
- Designed the graphic poster following the brand's guideline
